SAMC Christmas Party at Pompeii was a Huge Success!

The SAMC Annual Christmas party was held December 10th at Pompeii Italian Restaurant, 16109 Nacogdoches Rd. Festivities started at 6:00pm with Italian tear-apart bread that had a flavorful dipping oil with spices. Next came a colorful dinner salad. For the main entrée, we had our choice of either grilled chicken, lasagna or chicken parmigiana. All of us had a really wonderful time socializing with each other before, during and after the delicious meal.

Richard Birnbach presented Dare To Love with the check from all the proceeds raised during the SAMC Car Show back in October. The check was for a little over \$11,000. Club Members brought unwrapped toy donations to the Christmas party and those were also presented to Dare To Love.

After everyone had their fill of food and beverages, we sat down for a fun gift grab game (also known as a White Elephant or Chinese Gift Exchange.) If you've never experienced a gift exchange like this, you are truly missing out on a very funny experience. Folks picked numbers and then in numerical order they chose 1 gift to open from all the gifts on a table, OR, they could steal someone else's gift. Gifts were only allowed to be stolen twice and then they are "dead." and can't be taken away. Things were quiet for a while until some Mustang Memorabilia was opened, and then it was a mad dash for who would get the best item! Lastly, the person who chose #1 (Bea Kalinowski) could take her pick of any of the gifts no matter if they were dead or not. She ended up with a Mustang Clock that was a very popular item with the crowd! In the end, a great time was had by all who attended!

President's Path - Upcoming Events

Article by Richard Birnbach, President

There are a couple of charitable events we have been invited to participate in. The River City Corvettes is hosting a Car Show and Toy Drive on Dec. 18th from 11AM to 2PM at the Banderera Family Health Care Center 7579 N Loop 1604 W. Also the Wild Side Stangs is setting up a cruise on Dec. 17th for the National Wreaths Across America Day at Ft Sam Nat'l Cemetery. They will assemble in the Lowes parking lot at 1470 Austin Hwy at 10:30 AM and pull out no later than 11AM. A \$15 donation buys a wreath to be

placed on one of 135,000 graves of American Heroes. Movie Night at the Museum is Jan. 21st. We will assemble in the Costco parking lot just north of Loop 1604 on IH 35 past the Forum Shopping Center. We will leave at exactly 5:15PM to Dicks Classic Car Garage and Museum in San Marcos. Dicks has waived their entry fee to the museum for one of the Nations Best Historical Car Collections. Enjoy a Park and Shine along with a BBQ dinner in the conference center provided by Hays County BBQ. The movie for the

night is "Get Away", starring Selena Gomez, Ethan Hawke and The Shelby Super Snake! Cost is \$15 per person, reservations required; we are limited to the first 150 people to sign up. Please visit the web site to sign up or you can call Richard Birnbach at 210-367-9774. This is one of the finest events we host every year. The only way to make it better is to get more people and more Mustangs! On that Note, the San Antonio Shelby Club, Wild Side Stangs of Austin and San Antonio along with the Mustang Owners Club of Austin have all been invited to participate in this great activity!

Super Cruise to the Stars & Stripes Drive-In Theater

Saturday November 12th the Club planned a Super Cruise to the Stars and Stripes Drive In Theater in New Braunfels! It was quite a treat for those of us who had never been there. Stars & Stripes Drive In has three screens with three different movies and all are double features!

We assembled at the Costco located on the North Bound side of IH 35 just past the Forum Shopping Center. A Pony Coral was set up on the north side of the Costco Gas Pumps. We pulled out at around 5:15 PM for the 45 minute drive north. Admission was \$8 per adult \$5 for children under 12. There was a playground for kids and a full service diner. Rick can tell you from personal experience, and so can the rest of us that went on this cruise—their burgers are delicious!

I think all of us enjoyed a great night out with our families and fellow Mustangers!

Thanks to Richard Birnbach for the cruise suggestion, and the write-up!

Need Help Finding a Great Christmas Gift for your Car Enthusiast? How about giving them this?

Purchase a one-of-a-kind piece of art that becomes part of your car. My husband actually bought this for me for my birthday, but it will work nicely as a Christmas gift too. Custom air-brushed hood liner artwork, done by Ande Air, located in Mesquite, TX. I found Ande Air through a friend of mine who is also a Mustang enthusiast on Facebook. I contacted Ande Air through Facebook Messenger and gave her my concept idea. She and I worked together to come up with the final design. (Can you find the F-O-R-D hidden on the horses?) I sent her a down payment through Paypal and she started working on the hood liner. I asked her to buy a new liner, which she did. She sent me photos throughout the process. Pricing depends on the artwork you want done and how many colors it involves. Also, if you want your liner shipped, that is an added cost as well. Contact Ande Air today for pricing on your custom airbrushed hood liner!

One Mustang Brings People Together for a Cause to Save Veterans

Since purchasing my Mustang this year, I have been having a lot of fun meeting new people at car shows and on social media who have become my "extended Mustang family." One person I recently met is **Bert Trey Baker**. He is using his car to raise awareness for a very important and worthwhile cause. Here is Bert's story.

My car is a ruby red Mustang GT Premium performance pack with a manual transmission. After purchasing the car, a soldier in the Army who served with my wife, ended his battle with PTSD by taking his life. Suicide has been an issue with military members fighting PTSD, as they feel they no longer belong or accepted in society by those who have never experienced such battles. A VA study reported that 22 veterans will take their own lives due to struggling with PTSD. I decided to build my car to create awareness of the Mission 22 directive - to bring the number of suicides down to zero. In doing so, several sponsors have helped me build the car into one that would attract attention and excitement towards Mission 22. Those sponsors include: **Xforce, Steeda, Velosatech, Anarchy Motive, JC Customs, Tactical Designs and Hypermotive Performance**. Through the support of these sponsors, and through the Mustang Family who buy their products, my car is helping bring an end to veteran suicide, showing that no veteran is alone and we all have someone to talk to. Whether it be in the car community, outdoors, or any other hobbies one may have—I ask that you help me inform others that my brothers and sisters in arms need everyone's help. Let's bring an end to veteran suicides. Join me in this cause to give back to those who have given so much for our freedoms.

Search for Bert Trey Baker on Facebook for more info on Mission 22 and discounts on sponsored parts through the vendors that have contributed to his car. You can also reach him on Instagram: [@in4red_s550](#); or via email: bbaker2301@gmail.com Also visit the Mission 22 website: <http://www.mission22.com/#ourcause>
